

# STAND IN LOVE: TRUTHFUL ANSWERS TO QUESTIONS ABOUT HOMOSEXUALITY, IDENTITY, AND THE CHURCH

Dennis Jernigan

It is difficult for Christians to know how to respond to homosexuality in today's culture.

Some believers argue the truth while others remain silent to avoid offending. How can we lovingly, yet truthfully, respond?

Dennis Jernigan offer advice from a perspective the world says isn't possible, as one who turned from homosexuality to find freedom in Christ. With truth, grace, and wisdom, Dennis tackles such questions as:

- Does God call homosexual behavior sin?
- Do homosexuals go to hell?
- Does orientation equal identity?
- How do I love without judgment or condemnation?
- How do I minister to my child who has walked away from the Lord?
- And many more

Part of the Church Resource Kit: Homosexuality, Identity, and the Church, this study guide supplements the video series with additional materials and thought-provoking questions for the individual Christian and the church.
