Melinda Jernigan

Melinda Jernigan and her husband Dennis have been married 33 years and make their home in Muskogee, OK. We are blessed to welcome them as they share their stories of God's unending love, redemption, grace and restoration. Both have experienced deep wounds from the past, but their stories of healing and God's call to ministry is one you won't want to miss!

MP Designs Jewelry is an extension of Melinda's ministry to women. Each piece is personally created and prayed over, desiring the wearer to understand her Creator-God-given beauty.

Dennis also has CDs, books, and DVDs. Their newly released book, **Renewing the Mind: Identity and the Matter of Choice**, will also be available. Melinda wrote a chapter in this book and shared her own story of emotional healing. Our prayer is for you, your present journey, and where God is leading, regardless of personal struggles. We hope to see you soon!
